Only One (feat. Nina Sung)

Illenium

[Intro]
Only one, only one(x4)[Verse 1]
I guess I'll be the first to say it:
I haven't felt this good in a while
You tell me I'm the only one that they would all like
But you're the only one that kept me alive[Chorus]
Oh-ooh
You are the only one
You are the only one that kept me alive
You were the only one, the only one that was on my side
You were the only one that kept me alive[Instrumental Interlude][Verse 2]
Even after all this time
Fear can grip me at night
But somehow, somewhere you make me believe
I could see it in your eyes
So take me as your breathing proof
For everything you've ever done for me
I won't lie and fear no more
I hope you realize:
You kept me alive[Chorus]
Oh-ooh
You are the only one
You are the only one that kept me alive
You were the only one, the only one that was on my side
You were the only one that kept me alive[Bridge]
You saw my insides from the outside
You saw a chance, gave me truth so I survived
Saw my insides from the outside
You saw my insides from the outside
You took a chance, gave me proof without a goodbye
Now here I am, just happy to be alive[Chorus]
Oh-ooh
You are the only one
You are the only one that kept me alive
You were the only one, the only one that was on my side
You were the only one that kept me alive[Outro]
You are the only one
Only one, only one(x4)
