Roadhouse Blues

Pearl Jam

Keep your eyes on the road and your hands upon the wheel
Keep your eyes on the road and your hands upon the wheel
Yeah, we're going to the roadhouse and gonna have a real a good time
Yeah, good time
Yeah, at the back of the roadhouse they've got some bungalows
Yeah, at the back of the roadhouse they've got some bungalows
Yeah, that's for the people who like to go down slow, yeah
Let it roll baby, roll
Let it roll baby, roll
Let it roll baby, roll
Let it roll all night long
Yeah, we can do it too, y'all
Ashen lady, ashen lady
Give up your vows, give up your vows
Save our city, save our city
Oh, right now, yeah, alright, yeah, yeah
Well, I woke up this morning and I got myself a beer
Yes, I did
I woke up this morning and I got myself a beer
Yeah, the future's uncertain and the end is always near
Yeah, baby
Let it roll baby, roll
Let it roll baby, roll
Let it roll baby, roll
Let it roll all night long
Let it roll all night long
