

Gone

Jerry Cantrell

All dreams have died along the way
I coughed up the price, I bought a cage
I've had a hell of a time since I went away
Don't know when I died or where to lay down
Gone, gone away
Yeah, gone, gone away
God knows I've tried, I'm dyed in pain
Strong yet simple drive, the freedom to say
I've had a hell of a time since I went away
Homing on traces of light, that distance fades
And I'm gone, gone away
Yeah, gone, gone away, gone away
So they say with time, we slowly heal
I caught a flash of your smile through the fog of a dream
I'll have a hell of a time, I clearly see
I can't be by your side, I'll see you when I sleep
Now you're gone, gone away
Yeah gone, gone away, gone away, yeah
