Drive To The End

Slick Shoes

Our families were there and everyone we knew
Were waiting there just to see you
I waited on the side
I could not believe that we had made it this farWill you ever know how much, I love you?
I don't think it's possible
Will you ever know how much, you mean to me?
I don't think you'll ever seeI thought I would not sound but it wasn't me
I thought I'd know just what to do
When I fully saw your face
I knew it was to be together forever with me, we will beWill you ever know how much, I love you?
I don't think it's possible
Will you ever know how much, you mean to me?
I don't think you'll ever see
