Is It Love

Nadia Ali

Is it love, or just a curse
Do you feel good when I hurt
I need your heart to open up
If this love's not real, then it's just my luck

Mommy help me, I need your help
This little boy, he took my love
And he says these things that make my body pump up
But then he runs leavin' me undone
And I don't understand
For sex he said he'd be my man

Is it love, or just a curse
Do you feel good when I hurt
I need your heart to open up
If this love's not real, then it's just my luck

Daddy listen, I gave it up
I'm not your little girl
My cherry, and all the trust is missing
But please listen, what do I do
I know you wanna hurt him
But I like what he do, he's only doin' what you used to

Is it love, or just a curse
Do you feel good when I hurt
I need your heart to open up
If this love's not real, then it's just my luck

You never told me bout the birds and the bees
Or bout hide n' go seek or what he gets when he finds me
The biggest mistakes in the choices I make
Won't you help me decide, what's goin' down in my mind

Is it love, or just a curse
Do you feel good when I hurt
I need your heart to open up
If this love's not real, then it's just my luck

Is it love, or just a curse

Do you feel good when I hurt
I need your heart to open up
If this love's not real, then it's just my luck

That thing you're puttin' on me
Has got me so confused
Won't somebody help me, tell me what should I do
In my heart it feels so good, is it just a curse
Will it get better, or will it get worse

Is it love, or just a curse
Do you feel good when I hurt
I need your heart to open up
If this love's not real, then it's just my luck

Is it love, or just a curse
Do you feel good when I hurt
I need your heart to open up
If this love's not real, then it's just my luck
