# Come Back

## Garageland

All the time you were
Waiting outside,
I said to myself maybe you lied.
See it was my turn to
Learn not to burn.
What the hell I was there anyway.
And badluck it's got this
Thing for you,
It waits outside your room.
You're so polite,
You're always home,
Hello I've been on the telephone.
Come back. All is forgiven.
I don't want to dance anymore.
I want to get off the dancefloor.
Come back. All is forgiven.
Sometimes I get a little out of line,
Sometimes I lose it.
Come back. All is forgiven.
You don't know what your missing.
