Get Out While You Can

The Business

Advisory - the following lyrics contain explicit language:

You never question, you never ask why
You never listen, you never try
Never wanting to make a stand
With people like you humanity's damnedGet out while you can
Get out while you can
Get out while you can
Get outGet out while you can
Get out while you can
Get out while you can
Get outBomb could drop but you don't care
Cupboard's empty but you won't share
People repressed but you don't see
Normal attitude sickens meGet out while you can
Get out while you can
Get out while you can
Get outGet out while you can
Get out while you can
Get out while you can
Get outGet out while you can
Get out while you can
Get out while you can
Get outGet out while you can
Get out while you can
Get out while you can
Get outGet outGet out while you can
Get out while you can
Get out while you can
Get outGet out while you can
Get out while you can
Get out while you can
Get outGet out while you can
Get out while you can

Get out while you can
Get out
...
