Once in a Blue Moon

Van Morrison

Once in a blue moon
Somethin' good comes along
Once in a blue moon
Every thing's not goin' wrongWhen you get weary
Beatin' on the same old gong
Once in a blue moon
Someone like you comes alongOnce every once in a while
Something comes along that feels just right
Once every once in a while
Just like switchin' on an electric lightAnd sometimes you try
Till youre blue in the face
But when you get that feelin'
Nothin's gonna take its placeOnce in a blue moon
There's a thing called happiness
It happens when you're in
A state of natural graceWhen the wind is blowin'
All around the fence
I get that happy feelin'
Things start makin' senseAll just feels so lucky
That you just can't go wrong
Once in a blue moon
Someone like you comes alongOnce in a blue moon
There's a thing called happiness
It happens when you're in
A state of natural graceWhen the grass is growin'
All around the fence
You get that happy feelin'
Everythin' starts makin' senseAnd you get so lucky
That you can't go wrong
Once in a blue moon
Somethin' comes alongOnce in a blue moon
Someone like you comes along
Once in a blue moon
Somethin' good comes alongOnce in a blue moon
Someone like you comes along
