Wedding Day

9ice

VERSE 1
She can't stop calling
Her phone ringtone is in my memory
cos the first time we met,
she has been like this
that's why I treat her like a queen
She called me again
like I do realise
we can't but raise a family
I can't deny
that I love her die
She be the woman of my life, woman of my life
Bros, no be lie
I feel alright whenever she's by my side
I'm proud to be her Mr. Right
cos I know she's gonna be my bride
I lay low so I can watch her take the lead
You know

CHORUS
On our wedding day
ma gbe'su le'na
ma f'ona ro'ka
Gbogbo awon e still dey dey
This time around, omo se gobe
na you I go marry [aya wa ni]
To God be the glory [iyawo wa ni]
na you I go marry [aya wa, aya wa]
To God be the glory

VERSE 2
Ah I know, she's the right woman for me
I believe she'll be there when I'm in need
It is necessary to help her achieve her dream
She's my angel
Let me be the fool
As a princess, she's ready to be my boo
Love wan tintin
Me and my chikala na wan tintin

Love wan tintin
Everything skele we go pele, na bintin
Love wan tintin
That thing called love, omo no be film trick
E dey do me anywhere wey I dey like
make she dey there, together
We are meant to be, forever
Ekuro l'alabaku ewa

REPEAT CHORUS
