Brand New

Vashawn Mitchell

Create in me a clean heart and purify my spirit, O God
And restore to me the joy of your salvation
My one desire is for you to make me brand new
And over whelm me with your gloryCreate in me a clean heart and purify my spirit, O God
And restore to me the joy of your salvation
My one desire is for you to make me brand new
And over whelm me with your gloryCreate in me a clean heart and purify my spirit, O God
And restore to me the joy of your salvation
My one desire is for you to make me brand new
And over whelm me with your glory
Take me, make me, mold me, hold me, use me and, fill me
Whatever you do God, make me brand new
Take me, make me, mold me, hold me, use me and, fill me
Whatever you do, make me brand new,
Make me brand new
