Mystery Train

Krissy Matthews

Train arrive sixteen coaches long
Train arrive sixteen coaches long
Well that long black train drop my baby and goneTrain train coming right round the bend
Train train coming right round the bend
Well it took my baby but it never will againTrain train come on down this line
Train train rolling on down the line
Well it's bringing my baby 'cause she's mine oh mine
Mine oh mine, mine oh mineTrain train coming round this bend
Train train coming right round the bend
Well it took my baby but it never will again
Never again no, no, no never again
