Poetry

å¤§æ©‹å¥½è¦•

When I stand in a crowded room
I feel alone like nobody's there
And when you talk cold to me
I can see your breath in the air
It's taking it's toll on me
In the bathroom taking showers
So you don't see me cry
Baby, it's such a crime
I've tried to feel confident
I'm bitter, you're not making sense
I missed you till you almost took
My sanity, I'm starting a new verse
Like poetry, you're hiding behind the words you speak
Changing the words of the story
You say you don't love me
Then say that you love me, I'm fighting
You're hiding behind the words
You're speaking, changing the words
I'm lost in the verse
You say you don't love me
Then say, that you love me, why are you hiding?
When I give you gratitude
You act like you don't hear me speak
And when I tell you what you do to me
You don't even hear the truth
What are you trying to prove?
I stare out of the window for hours
'Cuz you don't listen to me
You won't even look in my eyes
I've tried to feel confident
I'm bitter, you're not making sense
I missed you till you almost took
My sanity, I'm starting a new verse
Like poetry, you're hiding behind the words you speak
Changing the words of the story
You say you don't love me
Then say, that you love me, I'm fighting
You're hiding behind the words
You're speaking, changing the words

I'm lost in the verse
You say you don't love me
Then say that you love me, why are you hiding?
Don't believe what you're saying
I read your face and I'm blanking
'Cuz I don't know what's in front of my eyes
I try to feel confident
I've tried to feel confident
I'm bitter, you're not making sense
I missed you till you almost took my sanity
I'm starting a new verse
Like poetry, you're hiding behind the words you speak
Changing the words of the story
You say you don't love me
Then say that you love me, I'm fighting
Poetry, you're hiding behind the words you speak
Changing the words of the story
You say you don't love me
Then say that you love me, I'm fighting
Poetry, you're hiding behind the words you speak
Changing the words of the story
You say you don't love me
Then say that you love me, I'm fighting
You're hiding behind the words
You're speaking, changing the words
I'm lost in the verse
You say you don't love me
Then say that you love me, why are you hiding?
