Dirty Punk

The Cootees

I am a punk, I'm in a punk band
When I eat breakfast, I eat the punk bread
I go to school, my friends are punks too
We go to punk shows, we do what punks doI am a dirty punk I look
And smell like junk and I'm a punkI go to work, work at a punk store
Live in apartments, sleep on the punk floor
I am a punk, I'm in a punk band
When I eat breakfast, I eat the punk bread
