You're Not The One

Zane Carney

Dreams stay with you
Always on my mind
I got a lust for lies
Seasons bring truth
When I found mine, it was summertimeIt's the middle of the night and I'm so gone
And I'm thinking about how much I need you
But you really want somebody else
Should be given the right to carry on
I'm still thinking about how much I need you
But you really want somebody elseYou're not the one
Guess you're not the oneStreets like a zoo
Through a city of lights, love at first sight
Silent rays of blue
They slowly glide
Right down my spineIt's the middle of the night and I'm so gone
And I'm thinking about how much I need you
But you really want somebody else
Should be given the right to carry on
I'm still thinking about how much I need you
But you really want somebody elseYou're not the one
Guess you're not the one
You're not the one
Guess you're not the oneI was enjoying the ride
And now we're standing on the graveside
Left unsatisfied
I won't even bother to fight
I know you're not the oneYou're not the one
You're not the one
You're not the oneYou're not the one
Guess you're not the one
You're not the one
Guess you're not the oneYou're not the one
