L.A. Rocks

Y&T

Burn' up the street
Hip lock body talk
Groovn' to the beat
And shakn'

Red Hot slip shot
Polka dot bikini top
Don't need no invitation

Headphone stereo
Puttin' on a free show
Drivn' all the fellas crazy

L.A. Rocks
Moves non-stop
Turn up the music
And let's get crazy

It's Boy's night out
In the city
Boy's night out
Oh, you look so cool

California chic
Tick tock no clock
Sneak a little peek
Sensation

Juke box coin slot
Tried to peek - got caught
I need a reservation

Cool shades lemonade
Margaritas in the shade
Who said liv'ns easy

L.A. Rocks
Moves non-stop
Turn up the music

And let's get crazy

It's Boy's night out
In the city
Boy's night out
Oh, you look so cool
It's Boy's night out
Get down and dirty
Boy's night out
No there ain't no rules

She's a rocker - non stopper
Ballroom queena real show stopper
She's got it - can't knock it
Oh no - you got it all baby

SOLO: Dave Meniketti

Got a long Island ice tea
Private room her and me
Ooh I must be dream'n
She's got big dreams - big bucks
Nice tan - look don't touch
That's my Mercedes

Two tone full blown
Techni-colour Kodachrome
You oughta be in pictures

L.A. Rocks
Moves non-stop
Turn up the music
And let's get crazy

It's Boy's night out
In the city
Boy's night out
Oh, you look so cool
It's Boy's night out
Get down and dirty
Boy's night out
No there ain't no rules
