Hail Hail

Pearl Jam

Ah, is there room for both of us
Both of us apart
Are we bound out of obligation
Is that all we've got?I get the words and then I get to thinkin'
I don't wanna think, I wanna feel
How do I feel?
Oh how do I?If you're the only one
Will I never be enough, yeah?
Hail, hail the lucky ones
I refer to those in love, yeahI swore I'd love ya
Till the day I die and beyond
Are we goin' to the same place?
If so can I come?It's egg rollin', thick and heavy
All, the past we carry
Oh, I could be new
You underestimate meHey if you're the only one
Will I never be enough, yeah?
Hail, hail the lucky ones
I refer to those in love, yeahI sometimes realize
I could only be as good as you'll let me
Are you woman enough to be my man?
Bandaged hand in handI find it on the run
In a race that can't be won, yeah
Oh, hail, hail the lucky ones
I refer to those in love, yeahIf you're my only one
So could you, only one
I want to be your one
Enough, you won, your one, your one
