I Might Be Wrong

Helia

I might be wrong
I might be wrong
I could have sworn I saw a light
Coming home
I used to think
I used to think
There is no future left at all
I used to think
Open up, begin again
Let's go down the waterfall
Think about the good times
And never look back
Never look back

What would I do?
What would I do
If I did not have you?
Open up and let me in
Let's go down the waterfall
Have ourselves a good time
It's nothing at all
It's nothing at all
Nothing at all
[Incomprehensible]
