Snuff

Dreadlock Pussy

as your face hits the floor you feel sorry for [that action]
It's too late 'cause i ain't got no motherfucking fraction of remorse left
and you best BELIEVE it's time for payback i push back a cap in your head
another setback the fuck up i might be gettin' buck with that nine
GET YOUR ASS IN THE TRUNK 'cause we're going for a drive
SO WHAT YA GONNA DO WHEN I STEP TO YOU
now what you gonna do? - ahSNUFF [CLICK] [CLACK] SNUFF goes the MF gun
SNUFF [CLICK] [CLACK] SNUFF where ya gonna run?
SNUFF [CLICK] [CLACK] SNUFF goes the MF gun
SNUFF [CLICK] [CLACK] SNUFF where ya gonna run?as you clench your gut you feel sorry for your actions
it's too late 'cause i ain't got no motherfucking fraction of friction going on
and you're about to take a beating
SAY HI TO GOD FOR ME you're gonna meet him pretty soon
i'll be pulling some psycho shit
and i'll leave that ass down BLEEDING LIKE A PERIOD
SO WHAT YA GONNA DO WHEN I STEP TO YOU
now what you gonna do? - ahSNUFF [CLICK] [CLACK] SNUFF goes the MF gun
SNUFF [CLICK] [CLACK] SNUFF where ya gonna run?
SNUFF [CLICK] [CLACK] SNUFF goes the MF gun
SNUFF [CLICK] [CLACK] SNUFF where ya gonna run?I hate your guts and I want you to die
I sit in my room and think of that knife
I plot your death in a million different ways
but I CAN'T so I pump up that jam nowPUMP IT UP - S N U F F
