Speaking With the Angel

Cry Cry Cry

He don't know how to lie or undermine you
He don't know how to steal
How to deal or deceive
So leave him alone, set him free'Cause he's speaking with the angel
Speaking with the angel
That only he can seeYou say, he's so helpless but what about you
You don't pull the strings
Don't you know anything
Leave him alone, let him be
'Cause he's speaking with the angel
Speaking with the angel
That only he can seeWould you teach him 'bout Heaven?
Would you show him how to love the earth?
Would you poison him with prejudice
From the moment of his birth?He, in the name of love, in the blood of the lamb
He that never lays blame
He don't even know his name
So leave him alone, set him free
'Cause he's speaking with the angel
Speaking with the angel
The very one that spoke to you and meDo you remember?
