Fractal Dimension

Obscura

Piece and piece, composed infinite order
Lacunarity denied
A swarm of harmony, a libertine in disbelief
A symphony of forms, a choral remnant of stars
Quantifying eclectic textures
Intrinsic perfection
Periphery atonality
Errors withhold
A heavenward cathedral of tones
A crystal momentum so pure
A Fractal Dimension
So concinnous and clear
Apollonian multiverse
Of moulds, immortal
A Fractal Dimension, concinnous and clear
