Radiobaghdad

How many times have you said
If I just had one more
Dollar in my pocket
Know that I've felt the same
How many times have you dreamed
That you could pack up and leave
Just run away from the trouble
Baby, I can't complain
'Cause I don't always get everything I wanted
Doesn't turn out just the way I thought it all should be
Baby, I can't complain
No more wasting my time looking in the mirror
Wishing my life was a little bit clearer, no way
Baby, I can't complain
No way, no way, no way
Baby, I can't complain
Have you ever believed
That it's just not your day
Like the world is against you
You know we've all felt that way
So far away from my home
And everything that I love
But as long as I'm breathing
Baby, I can't complain
'Cause I don't always get everything I wanted
Doesn't turn out just the way I thought it all should be
Baby, I can't complain
No more wasting my time looking in the mirror
Wishing my life was a little bit clearer, no way
Baby, I can't complain
No way, no way, no way
Baby, I can't complain
No way, no way, no way
Any time, any minute now
We could fall, it could all crash down
But I'm not gonna ever live that way, no way
'Cause I don't always get everything I wanted
Doesn't turn out just the way I thought it all should be
Baby, I can't complain

No more wasting my time looking in the mirror
Wishing my life was a little bit clearer, no way
Baby, I can't complain
No way, no way, no way
Baby, I can't complain
No way, no way, no way
Baby, I can't complain
