Lloyd

(Yeah, ooh, ooh,ooh)[Lil Wayne]
Uh, yeah
Lloyds own killer
She's my pusha
She's my dealer
Yeah
It's the Lloyds own killer
She's my pusha
She's my dealer[Verse 1 - Lil Wayne]
and this is your Wayne on drugs
I'll be running round getting high on love
Too much will kill ya, I know that's right
But she got that crack and I got that pipe
Now if shes the pusha and I'm the hustla
And loves the drug then this for the lovers
Uh, one time for them boys in the streets with it
But me and shorty we be hustling the sheets with it
She sellin', I'm buyin'
And only when the drugs are done I feel like dying
She dope, she bad
I think an a have to go rehab[Verse 2 - Lloyd]
You're my pusha
Girl you got the world
That I wanna try
Don't wanna break the rules
But I get high off your supply
Don't make me wait
I'll do what it takes
Your love is the fix I wanna taste[Chorus - Lloyd]
Her love is like cocaine cocaine
I'm flying on a private plane
And I'm so high(so high,so high, I sail in the sky)
Cobain, Cobain
She blows my brain
I'm trippin',I'm rollin'
I'm losing all control causeShe's my pusha, pusha

I'm addicted to you
Keep coming back for more
Never took a trip like this before[Chorus]

I'm flying on a private plane
And I'm so high(so high,so high, I sail in the sky)

Eh, she supplies my needs
If I wanna move slow she supplies that need
If I wanna go fast, she provides my speed
Body smokin like when I light my trees
And everybody know how much I like my trees
Sheesh she got me higher than the weed spot
Sumbody call Dr.Dre I need detox
Man she so dope she make my vein shiver
And if I got a headache then she the painkiller
One sniff of her had my nose wide open
One hit of her had my whole mind frozen
A female eat pill..wow.. am rollingShe's my pusha, pusha

Girl she's my pusha, pusha
