Slow

Brian Mcknight

The song is actually called "Always be my baby"
Verse 1:
How do you know when's the right time to throw in the towel/
What do you say when it's all said and done/
Where do you go to sort out your feelings/
When nothing is like it was/
There's no easy way to break somebody's heart/
I couldn't keep this thing from falling a part/
Chorus:
But it doesn't mean that I don't love you/
Ohhh nooo/
And it doesn't mean that I won't miss you/
Even though we're a part save a place in your heart for me/
You'll always be my baby/
Yeahhh ... Mmmmm
Verse 2:
How do I look into your eyes and tell you it's over/
What do I do if you break down and start to cry/
Do I sell out and say the old cliche/

It's not you that's me girl/
What do I tell you if you ask me why/
'Cuz there's no easy way to break somebody's heart
I need to tell you but, I don't have the heart/
Chorus:
But it doesn't mean that I don't love you/
[Doesn't mean that I don't love you]/
And it doesn't mean that I won't miss you
[I won't miss you baby]/
Even though we're a part save a place in your heart for me
You'll always be my baby/
Bridge::
I know it's hard right now but one day you'll see that you'll find someone who'll love you like you need to be/
And it's okay if you forget about me/
Wherever you are in this world you'll always be my girl
But it doesn't mean that I don't love you
And it doesn't mean I don't miss you baby [baby, baby]
Even though we're a part save a place in your heart for me
{2x}
