Something you like, like
'Cause I feel you eyes
As they undress me No, don't you stop it
Love it with ya bad attitude, tude
'Cause I'm in the mood
Baby, impress me Let me follow your lead
Baby, come on control me
Come over take on me
Take me If you're in it for real
Go ahead, put it on me
I know that you want me
So take me Read my body language
I do what you like, like
So prove that you're right, right
(Control me) Read my body language
I do what you like, like
Come into my spotlight I got what ya need
(Need, need, need, need, need)
