You Mean Nothing To Me

Jay Reatard

I see you out on the street
You look like a person I'd like to meet

[Chorus]
Doesn't really have a thing on you
And I don't know what it is
I care nothing for you
I care nothing for you
Doesn't really have a thing on you
And I don't know what it is

I cannot look you in the eye
I get so nervous when I try

Doesn't really have a thing on you
And I don't know what it is
I care nothing for you
I care nothing for you
I care nothing for you
I care nothing for you

I care nothing for you
I care nothing for you
I care nothing for you
I care nothing for you
