Me And Jesus

Stellar Kart

When there's nowhere else to turn
All your bridges have been burned
Feels like you've hit rock bottomDon't give up, it's not the end
Open up your heart again
When you feel like no one
Understands where you areSomeone loves you
Even when you don't think so
Don't you know, you got me and Jesus?
By your side, through the fight
You will never be alone on your own
You got me and JesusAfter all that we've been through
By now, you know I've doubted too
But every time my head was in my hands
You said to meSomeone loves you
Even when you don't think so
Don't you know, you got me and Jesus?
By your side, through the fight
You will never be alone on your own
You got me and JesusHold on to what we got
This is worth any cost
So make the most of life that's borrowed
Love like there's no tomorrowSomeone loves you
Even when you don't think so
Don't you know, you got me and Jesus?
By your side, through the fight
You will never be alone on your own
You got me and JesusEven when you don't think so
Don't you know you got me and Jesus?
By your side, through the fight
You will never be alone on your own
You got me and JesusSomeone loves you
Even when you don't think so
Don't you know you got me and Jesus?
You will never be alone
You got me and Jesus
