Punch and Judy (LP Version)

The Cascades

everybody loves to see
Judy, being mean to me
everybody here in town
know that I'm just Judy's clownRefrain:
Oh, every place we ever go
everybody seems to know
well they know we're just
a Punch and Judy showJudy make a fool of me
why can't she just let me be
even though I know the score
I keep coming back more
Refrain:
Oh, every place we ever go
everybody seems to know
well they know we're just
a Punch and Judy showBridge:
I wished, i knew why she act this way
we're like puppets in a play
Judy's play of being cruel
while i must act as a happy fool, happy foolthough i smile it hurts inside
even puppets have some pride
I would leave her if I could
if my heart were made of wood
Coda:
So everyday we'll give our show
and it always hurts me so
yes, we'll always be a Punch and Judy show
always be a Punch and Judy
always be a Punch and Judy showPunch and Judy show
Punch and Judy show
Punch and Judy show
Punch and Judy show
