Black Knight Satellite (2016)

Pain

Sitting on the top of the world
Silently watching you whatching me
It's been around for thirteen thousand years
Purpuse UnknownBlack Knight Satellite
Dark shadow flying high
You are the ghost that watch(es) the skyIn the blackness of space
Orbiting around the earth
Been scanning us, feeling us
Down to the core
Poor humanity
Black Knight Satellite
Dark Shadow flying high
You are the ghost that watch(es) the sky
Black Knight Satellite
What are you searching for?
The silent ghost in the sky
Black Knight Satellite
What are you looking for?
You are the ghost that watch(es) the sky
Black Knight Satellite
What are you searching for?
The silent ghost in the sky
