Bachelorette

BjoÌˆrk

I'm a fountain of blood
In the shape of a girl
You're the bird on the brim
Hypnotized by the WhirlDrink me, make me feel real
Wet your beak in the stream
Game we're playing is life
Love is a two way dreamLeave me now, return tonight
Tide will show you the way
If you forget my name
You will go astray
Like a killer whale
Trapped in a bayI'm a path of cinders
Burning under your feet
You're the one who walks me
I'm your one way streetI'm a whisper in water
Secret for you to hear
You are the one who grows distant
When I beckon you nearLeave me now, return tonight
The tide will show you the way
If you forget my name
You will go astray
Like a killer whale
Trapped in a bayI'm a tree that grows hearts
One for each that you take
You're the intruder hand
I'm the branch that you break
Hum-yeah!
