Funny how love feels
Funny how love can be
Funny how love feels
Feels
I didn't know till today
I could get hurt so easily
But now I realize
It's time that you say goodbye
And I almost cried
Why must you go can't you stay
I wish you could be here everyday
Holdin' me close to you
We both know it don't feel right
To say goodbye
Ain't it funny how love can bring you down
'Cause you know somethings wrong, yeah
Then you turn around suddenly you found
That your love keeps you strong
So you can hold on
Funny how love can be
So wrong, so wrong
Funny how love can be
Can be so right
I didn't think about it much
I didn't know the meaning of
Giving my heart away
We're hoping someday you'd say
You feel the same, oh
And now I know that love is true
And I don't wanna be here without you
Whenever you're near or far
Close my eyes there you are
Right here in my heart
It's kinda funny how now when I get down
Feel like you can't go on
Then you turn around, suddenly you found
That your love keeps you strong so you can go on
Funny how love can be

So wrong, so wrong sometimes

Funny how love can be
Can be so right
Funny how love can be
So wrong, so wrong sometimes
Funny how love can be
Can be so right
It's hard to understand
Love sometimes
It can hurt you, and sometimes it
It can feel so right
Funny how love can be
So wrong, so wrong sometimes
Funny how love can be
Can be so right
Funny how love can be
So wrong, so wrong sometimes
Funny how love can be
Can be so right
Funny how love feels
Funny how love can be
Funny how love feels
Feels
Funny how love feels
Funny how love can be
Funny how love feels
Feels
Funny how love feels
Funny how love can be
Funny how love feels
Feels
Funny how love feels
Funny how love can be
Funny how love feels
Feels
Funny
Funny
