Mother/Father

Lurch & Chief

(Noose break Iâ€™m coming down)
I want to make friends with your father

(No breath for lungs to move)
So I can find out what your next mood is, your next move

(Ahh tongue tied for once Iâ€™ve found)
I want to get naked with your mother

(No smoking on the wall)
Like pictures I found, a flower

Whenever Iâ€¦
Communicate
Whenever I...
You take, you change
Whenever Iâ€¦
Communicate
Whenever Iâ€¦
You take. you change

(My attention I cant hold)
I see your face rise in shallows

(Become like steel to touch)
Like the full moon and the hours

(Oh, thoughts flying state to state)
I want to strip off and run for cover

(Oh, Only time will tell)
Free look on our love, come follow

Take it up with me, when you find yourself

(Whenever Iâ€¦)
Communicate
(Whenever I...)
You take, you change
(Whenever Iâ€¦)

Communicate
(Whenever Iâ€¦)
You take. you change

(Whenever Iâ€¦)
When you find yourself
(Whenever Iâ€¦)
When you find yourself
(Whenever Iâ€¦)
When you find yourself
(Whenever Iâ€¦)
When you find yourself
