Punk Ass

Bodyjar

Demands on you and what you're apt to
They dwell inside then leave you on the outside
As aggression
Do you need attention?
Do you need attention?This situation is not what it seems
This situation will soon be at ease
This situation will leave you if you let it
It counts on you to get what you can achieve
And you can striveIt'll leave you on the outside
As aggression
Do you need attention?
Do you need attention?
This situation
