Down On Me

Magnapop

Could there be any satisfaction
In saying how it feels
Down on me
You're down on me
Down on me
The way it feels is down on me
You can't see my anger
You can only feel it
Down on me
Down on me
Down on meYou can never show your hate
'cause you can never get passed it
Down on me
Down on me
Down on meFading
Fading
So alone and down on meCould there be any satisfaction
In saying how it feels
The way it feels is down on me
You can't see my anger
You can only feel itFading
Fading
So alone and down on meFading
Fading
Fading
Fading
