Judith

Decameron

Comes and goes
And goes, she comes
No man will ever
Make her moan
Break her bones
Hey Judith
Judith
Hey, hey
On the weight of a storm
She comes and goes
Oh Judith
Yeah, Judith
Oh Judith
Judith
Judith
Oh Judith
Oh Judith
No man will ever

Break her bones
Break her bones
With fire in her halo
She comes and goes, yeah
Judith
Judith
Judith
Judith
Judith
Judith
Judith
There she goes
Judith
Hey, yeah...
Judith...
