Tennessee Border

Cecil Campbell

Her eyes were blue, her hair was auburn
Her smile was like an angel fair
She was her daddy's only daughter
On the Tennessee border
One night I took a ride just across the line
I picked her up in a pickup truck and she broke this heart of mine
Her mama said, "No, she's my only daughter"
But we got married on the Tennessee border
The roses were bloomin' there on the border
The moon was shinin' there
Her personality made me want her

On the Tennessee border
One night I took a ride just across that line
I picked her up in a pickup truck and she broke that heart of mine
Her mama said, "No, she's my only daughter"
But we got married on the Tennessee border
One night I took a ride just across the line
I picked her up in a pickup truck and she broke this heart of mine
Her mama said, "No, she's my only daughter"
But we got married on the Tennessee border
