Soda Pop

Malibu Stacy

Here we go now
Like the great poets Homer, Agamemnon, or even Zeus
We taken a vibical expedition, this pop ditty we choose
So be calm, don't ring the alarm, you see
'Cause we go on and on, come, come, come follow me Britney
Open a soda pop, watch it fiz and pop
The clock is tickin' and we can't stop
Open a soda pop, bop-a shu-bop shu-bop
The clock is tickin' and we can't stop
We might start riding to the music tonight
A clever way to get by
The pops keep flowin' like it's fire and ice
So give it a little blind, so
Open a soda pop, watch it fiz and pop
The clock is tickin' and we can't stop
Open a soda pop, bop-a shu-bop shu-bop
The clock is tickin' and we can't stop
We have a plan, we have a definite plan
To level the vibes again, oh yeah
See, where ya ba-do for a superlative self
A wicked time to the end, so
Open a soda pop, watch it fiz and pop
The clock is tickin' and we can't stop
Open a soda pop, bop-a shu-bop shu-bop
The clock is tickin' and we can't stop
Open a soda pop, watch it fiz and pop
The clock is tickin' and we can't stop
Open a soda pop, bop-a shu-bop shu-bop
The clock is tickin' and we can't stop
So much pop we're losing, sittin' watching the clock
Turn the tables, baby, let's go over the top
No one else will do, I'm waiting for you
So show me what'cha got, just take a pop shot
And we will never stop shu-bop, shu-bop
Yeah, hmm, the clock is tickin' and we can't stop
Open a soda pop, bop-a shu-bop shu-bop
The clock is tickin' and we can't stop
Girls we need him like we've never before
And lovin' it till we drop, we drop, we drop

We'll flex tonight until they break down the door
The party won't ever stop, so
Open a soda pop, watch it fiz and pop
The clock is tickin' and we can't stop
Open a soda pop, bop-a shu-bop shu-bop
The clock is tickin' and we can't stop
Open a soda pop, watch it fiz and pop
The clock is tickin' and we can't stop
Open a soda pop, bop-a shu-bop shu-bop
The clock is tickin' and we can't stop
I bet you we can pop like we've never popped it before
Why we keep comin' back for more and more for sure
It's cool Britney when we get down on the floor, yeah
And we go on and on until the break of dawn
Open a soda pop, watch it fiz and pop
The clock is tickin' and we can't stop
Open a soda pop, bop-a shu-bop shu-bop
The clock is tickin' and we can't stop
All we gotta do is just
Open a soda pop, watch it fiz and pop
The clock is tickin' and we can't stop
