Good to Be Home

Coco Jones

Oh yeah oh yeahWith reverence I enter into this holy place
A home that's like no other full of mercy, love and grace
I know it's been a long time, I've never felt that far
'Cause You were always on my mind, and You were always in my heartIt's so good to be home, where I know that I belong
Inside this house of love, with a family so strong
And I'm here to worship and pour out my offering
In the presence of His love, I'm never aloneIt's so good to be (home, home) home (home, sweet home)
So good to be (home, home) home (home, sweet home)I know I'm always welcome into these open arms
When all of us are gathered, He shot a light into the dark
This home is where my heart is and it's always been that way
'Cause you're forever by my side and I know I'm here to staySo good to be home, where I know that I belong
Inside this house of love, with a family so strong
And I'm here to worship and pour out my offering
In the presence of His love, I'm never aloneIt's so good to be (home, home) home (home, sweet home)And by faith we believe and provoke our deepest love
To give our everything, everything to above and beyond us
And when it's cold outside, it's always warm right here
YeahIt's so good to be (home, home) home (home, sweet home)
Oh it's so good to be (home, home) home (home, sweet home)It's so good to be home, where I know that I belong
Inside this house of love, with a family so strong
And I'm here to worship and pour out my offering
In the presence of His love, I'm never aloneIt's so good to be (home, home) home (home, sweet home)
So good to be (home, home) home (home, sweet home)
