

Leave a Light On for You

Edwina Hayes

You could have had me for a song
Cus' my love was so strong
Though the years have come and gone
I leave a light on for you I remember the day
That you went away
And I missed my chance to say
That I leave a light on for you And how I wish that I had known
How quickly life moves on
And how I wish I'd been brave
Enough to try and make you stay Little so long ago
But I still love you so
And I thought that you should know
That I leave a light on for you We were too young and free
To think things would ever change
Now it's easy to see
How tear from tear all might have been You could have had me for a song
Cus' my love was so strong
Though the years have come and gone
I leave a light on for you
