Supermodel (You Better Work)

RuPaul

Once upon a time, there was a little black girl
In the brust of projects of Detroit, Michigan
At fifteen, she was spotted by an Ebony Fashion Fair talent scout
And her modeling career took off, you better workYou better work, cover girl, work it girl, give a twirl
Do your thing on the runway
Work, supermodel, you better work it, girl of the world
Wet your lips and make it love to the cameraWork, turn to the left, work, now turn to the right
Work, sachey chantey
Work, turn to the left, work, now turn to the right
Work, sachey chanteyIt don't matter what you wear
They're checking out your savior fair
And it don't matter what you do
'Cause everything looks good on youSupermodel work, cover girl, work it, girl, give a twirl
Do your thing on the runway
Work, supermodel, you better work it, girl of the world
Wet your lips and make love to the cameraWork, turn to the left, work, now turn to the right
Work, sachey chantey
Work, turn to the left, work, now turn to the right
Work, sachey chanteyI see your picture everywhere

You've had everybody's eyes on youSupermodelLinda, work, mama, Naomi, she is fierce

'Cause everything looks good on youSupermodel work, cover girl, work it, girl, give a twirl
Do your thing on the runway

Wet your lips and make love to the cameraWork, turn to the left, work, now turn to the right
