DO YOU KNOW ME?

VANT

I get this feeling that I'm all alone
A suit a headset and a telephone
Pick up, put down, dial tone,
I'm good for nothingIf someone picks up then I'm still alone
Just another voice on a telephone
I'm down, I'm broke, I'm tired
I want something moreSo let me hear you say ohYou should know me
You should know me
By now
Do you know me
Do you know me
Do you know meJust another waiter in a dead end bar
But waiting on nothing don't get you far
I pull, I pour, I guess it's good for somethingI'm alcoholic cos' it numbs the pain,
Everyone I know tends to feel the same,
They smoke, they drink, they take
They want nothing moreSo let me hear you say ohYou should know me
You should know me
You should know
By now
Do you know me
Do you know me
Do you know me
At all
