

# Whirlpool (Live Version)

Seal

She don't know woo-who  
Yo' momma would  
Yeah yeah, ooh, no no  
Won't a child know  
Won't a child I wake out of a whirlpool,  
I walk into another day and then  
I feel better. Whoa, whoa  
Because you came to stay,  
I almost threw my life away.  
Thinking of what might be,  
If I lose  
My destiny Would I feel better than I might be,  
Would I see clearer than my eyes would see,  
Oh I, if I showed I love you angel? Like a square in a circle,  
I try to find another way to win.  
I try to make better way.  
To the castle that I make,  
Where the moon lights the way,  
And it's invisible by day.  
I hear temptation sing yeah!  
Just let go and I will take you there. Now would I feel better than I might be?  
Would I see clearer than my eyes would see, yeah? Oh I, if I showed I love you angel yeah?  
If I fell in love with angel?  
If I showed I love you angel? Oh I oh ah o wah Now would I feel better than I might be,  
Would I see clearer than my eyes would see, yeah Oh I, if I showed I love you angel?  
If I took a piece of angel?  
If I fell in love with Angelo? Life is hard in a circle,  
Especially when you think you've gone insane,  
And all you get from love is lots of pain.  
I should have known better Better  
Better  
Better  
Better Better
