The New One for Reals

Matthew Reveles

The world is small
The nights are tough
The nights are often not enough
To bring me back around
My baby said to me she said
She giving up on me
Soon Iâ€™ll have nowhere to sleep

But I know where I am
And itâ€™s where Iâ€™m meant to be
No sense crying over it
No sense crying over it

I called my mother on the phone
She said please come back home
Wonâ€™t you just leave me alone
Then she said that
I need stability
She said I need reality
And a little bit of self esteem

But I know where I am
Itâ€™s where Iâ€™m meant to be
No sense crying over it
No sense crying over it

Here we go (Solo)
Alrightâ€¦

But I know where I am
Itâ€™s where Iâ€™m meant to be
No sense crying over it
No sense crying over it

Itâ€™s 3am the bottleâ€™s dry
That bottleâ€™s gone and so am I
Wonâ€™t you give me one more try
Cuz Iâ€™m sick of here Iâ€™m sick of there
Iâ€™m sick of goddamn everywhere

Or anywhere youâ€™re not

Said I donâ€™t like where I am
And itâ€™s where Iâ€™m supposed to be
No sense crying over it
No sense crying over it
