Police Sweater Blood Vow

The Fiery Furnaces

Forget the dogs and forget the sheep-
it's only you who affects me.
On the fun fair track road and helter skelter fall,
on my ice skater's bruised knees.Vibrate buzz buzz ring and beep
tell me what time is it now.
Vibrate buzz buzz ring and beep
tell me baby what time is it now.Blood love sliver locket and police sweater blood vow,
nativity jingle, carole and cry;
chain smoking ashes all over himself.
Laugh and hug your white wine wife.Vibrate buzz buzz ring and beep
tell me baby what time is it now.
Vibrate buzz buzz ring and beep
tell me baby what time is it now.Parking lot reading, cover my eyes,
you're a sick moaner, now hold your sides.
On Christmas Eve and dizzy escaltor malls,
retrace steps for not lost gloves.Vibrate buzz buzz ring and beep
tell me baby what time is it now.
Vibrate buzz buzz ring and beep
tell me baby what time is it now.Well I went to sleep sitting up,
see the diary and cry out:
that's not right, babe! You're here and I'm there!
That's not right, babe! You're here and I'm there!Vibrate buzz buzz ring and beep
tell me baby what time is it now.
Vibrate buzz buzz ring and beep
tell me baby what time is it now.
