Silhouette

Kerberos

If I Could Stop Time
I'd Frame Your Glass Pose
Tied To Your Shadow
I'm Over Exposed
Counting Your Breathing
With Quiet Control
Watching You Drowning
I Slowly Let Go
I'm Giving You Shade
From What You Don't Know
You've Made Some Mistakes
Just Keep Your Eyes Closed
Planning Out Endings
I Thought You'd Enjoy
With One Thing In Mind
The Love You Destroyed
You Are Not Enough
You Are Not Enough
You Can't Modify

The Masterpiece I've Set In Motion
If You Try I'll Multiply
My Heart Breaking Devotion
Sparks Burn Behind You
Your Silhouette Glows
Blindness Reminds You
You'll Never Grow Old
Memorize Your Last Sunset
It's Fading Fast And Getting Wet
Last Goodbyes Have Been Revised
You Can't Decide Who's Qualified
Don't Be Afraid Of
What You Understand
Always Be Jealous
Of Others Who Can't
You Are Not Enough
You Are Not Enough
