Drifting

Bebo Norman

Sometimes when I'm all alone
I don't know if I can take another breath
Some say home is where the heart is
Tell me where my home is 'cause I'm scared to deathFalling from the rooftop, crashing like a raindrop
Can you make my heart stop shaking like a leaf?
Standing at the floodgate, steady as an earthquake
Can you hear my heart break tearing at the seams?I am drifting in the deep end
Holding on to your hand is all that saves me now
Life can treat you like a beggar
You hold me together, but I don't know howFalling from the rooftop, crashing like a raindrop
Can you make my heart stop shaking like a leaf?
Standing at the floodgate, steady as an earthquake
Can you hear my heart break tearing at the seams?Some say home is where the heart is
And my heart is in your hands, you are all I needRising from the ashes, lifted from the madness
Now you see my heart is deep enough to dream
Heal me from the deathblow, lead and I will follow
Now you feel my heart glow mending at the seamsI am drifting in the deep end
I am drifting in the deep endRising from the ashes, lifted from the madness
Now you see my heart is deep enough to dream
Heal me from the deathblow, lead and I will follow
Now you feel my heart glow mending at the seamsRising from the ashes, lifted from the madness
Now you see my heart is deep enough to dream
Heal me from the deathblow, lead and I will follow
Now you feel my heart glow mending at the seamsI am drifting in the deep end
I am drifting in the deep end
I am drifting in the deep end
