Main Event (Joe Carrano's TKO Mix)

RuPaul

Here we go again,
Chapter two, turn another page
I'm walking in the rain,
Paint a smile upon my face'Cause I won't let
The spotlight
See the heartbreak
In my love life
When the laughter starts to fade,
All the drama takes center stageStrike up the band,
Bang a drum like the beat of my heart
Oh! You left before the end,
Before our story had a chance to startWhen you step in-
To the disco,
Leave your problems
At the front door
You know, the world don't have to end,
Long as the DJ records spinThis is the main event, are you ready?
Just let the music dance into your soul
Faster, faster, exhilarating
Just let the rhythm make you lose control
This is the main event, are you ready?
Just let the music dance into your soul
Faster, faster, exhilarating
Just let the rhythm make you lose controlUntil they say last call,
Or somebody says your name
I'm gonna keep on dancing,
I gotta dance away the pain'Cause I won't let
The spotlight
See the heartbreak
In my love life
When the laughter starts to fade,
All the drama takes center stageThis is the main event, are you ready?
Just let the music dance into your soul
Faster, faster, exhilarating
Just let the rhythm make you lose control
This is the main event, are you ready?
Just let the music dance into your soul
Faster, faster, exhilarating
Just let the rhythm make you lose controlI won't let love bring me down,

You won't see me crying on the dance floor
No, I won't let love bring me down,
You won't see me cry, you won't see me cry,
Never see me cry, never see me cry-y-y-y!This is the main event, are you ready?
Just let the music dance into your soul
Faster, faster, exhilarating
Just let the rhythm make you lose control
This is the main event, are you ready?
Just let the music dance into your soul
Faster, faster, exhilarating
Just let the rhythm make you lose controlOh! Oh!
Yeah! Yeah!
Oh! Oh! Oh! Oooh!Oh! Oh!
Yeah! Yeah!
Oh! Oh! Oh! Oooh!Oh! Oh!
Yeah! Yeah!
Oh! Oh! Oh! Oooh!Oh! Oh!
Yeah! Yeah!
Oh! Oh! Oh! Oooh!Oh! Oh!
Yeah! Yeah!
Oh! Oh! Oh!
