Good Day Every Day

Drivin' N' Cryin'

Me and Willie go to work
before the sun shows cloudy skies
wishing I could go-oh
crawl right in to bed
Willie says this is the day
the Man has given to us
to work [??] to feed us and all our children
good day, everyday
soon the clouds gonna free the rain
let the secret of the sun shine
good day, everyday
Mother Peakcock doesn't show
all those feathers colors glow
sometimes credit due isn't always credit given
lion reigns throughout the land
king of the jungle
returning to his den he finds the stars have fallen closely
good day, everyday
soon the clouds gonna free the rain
let the secret of the sun shine
good day, everyday
good day, everyday
soon the clouds gonna free the rain
let the secret of the sun shine
good day, everyday
singing on the street today
singing songs of freedom
but people never listen and
and the matter doesn't matter
standing on the welfare line
a man comes before me
the richest man among you is the one with empty pockets
good day, everyday
soon the clouds gonna free the rain
let the secret of the sun shine
good day, everyday
Me and Willie go to work
before the sun shows cloudy skies
wishing I could go-oh

crawl right in to bed
Willie says this is the day
the Man has given to us
to work [??] to feed us and all our children
good day, everyday
soon the clouds gonna free the rain
let the secret of the sun shine
good day, everyday
good day, everyday
soon the clouds gonna free the rain
let the secret of the sun shine
good day, everyday
good day, everyday
good day, everyday
