Waterfall

Jon Gomm

Say it by mine, carry waves of light
Caught in time, waitin' on the light
Then the winds, they go by faster than fireflies
Hold my hand, take my life
Waterfall, waterfall, waterfall
Waterfall, you're beautiful
Live by me, stand next to me
You're lovely, let nobody else see
And the tide is callin', shadows slowly fallin'
Waterfall, lovin' me
Waterfall, waterfall, waterfall
Waterfall, you're beautiful
All the terrible things I used to say
I'd like to throw them all away
Tell me your story, all about the sin
I want to get to know you again
Waterfall, waterfall, waterfall
Waterfall, you're beautiful
Beautiful, you're beautiful, beautiful
Beautiful, beautiful, beautiful
Beautiful, beautiful, beautiful
Beautiful, beautiful
Waterfall, you're beautiful
Beautiful, beautiful, beautiful
Beautiful, beautiful, beautiful
Beautiful, beautiful, beautiful
Waterfall, you're beautiful
