Colored People

dc Talk

1, 1, 1, 1
2, 2, 2, 2
3, 3, 3, 3
4, 4, 4, 4Pardon me, your epidermis is showing, sir
I couldn't help but note your shade of melanin
I tip my hat to the colorful arrangement
'Cause I see the beauty in the tones of our skinWe've gotta come together
And thank the Maker of us allWe're colored people, and we live in a tainted place
We're colored people, and they call us the human race
We've got a history so full of mistakes
'Cause we are colored people who depend on a Holy Grace1, 1, 1, 1
2, 2, 2, 2
3, 3, 3, 3
4, 4, 4, 4A piece of canvas is only the beginning for
It takes on character with every loving stroke
This thing of beauty is the passion of an Artist's heart
By God's design, we are a skin kaleidoscopeWe've gotta come together
Aren't we all human after all?We're colored people, and we live in a tainted place
We're colored people, and they call us the human race
We've got a history so full of mistakes
'Cause we are colored people who depend on a holy graceIgnorance has wronged some races
And vengeance is the Lord's
If we aspire to share this space
Repentance is the cure1, 1, 1, 1
2, 2, 2, 2
3, 3, 3, 3
4, 4, 4, 4Well, just a day in the shoes of a color blind man
Should make it easy for you to see
That these diverse tones do more than cover our bones
As a part of our anatomyWe're colored people, and we live in a tainted place
We're colored people, and they call us the human race
We've got a history so full of mistakes
'Cause we are colored people who depend on a holy graceWe're colored people, and they call us the human race
Oh, colored people
We're colored people, and we all gotta share this space
Yeah we've got to come together somehow
We're colored people, and we live in a tainted world
Red, yellow, black and white
We're colored people, every man, woman, boy, and girl

Colored people, colored people, colored people, colored people, yeah
