Urban Myth

Frenzal Rhomb

If I gave you another wish
you'd be hanging out for married bliss
waiting for your life to control youMarried bliss is an urban myth with concrete smiles and bloody wrists
I never thought it would come to this, did you?
Oh hoHaven't you seen the end of it all
One more fantasy before you fallwho ho ho, who ho ho, who ho ho,
who, ho ho, who ho hoo who ho hoSometimes it's best to pass
?
sinking to your boring point of view?
?
I never thought it would come to this did you?
It's not cynicism but the same old contradictions
a repeat of the same jaded mistakes
